Dear

AMAZON
WEB DEVELOPER MANAGER
TIDEL PARK, 4TH FLOOR INFINITY TOWER, TATA,
RAMANUJAN IT CITY, SEZ, RAJIV GANDHI SALAI,
NEAR TARAMANI, CHENNAI, TAMIL NADU 600113

After learning of the Web Developer Manager opening with Amazon, I am attaching my resume in consideration for this role. I graduated from Aalim Mohammed salegh college of engineering with Computer Science engineering in B.E. I have researched and learned a great deal about your organization's mission and I am confident that my background and attributes will bring further support of your company's values. Being highly attentive to detail, I strive for accuracy and consistency in my daily individual performance, team contributions, and task completion. Further, I offer communication, interpersonal and scheduling flexibility. I aim to contribute data analysis and sales planning to support continuous improvement.

I look forward to speaking with you about my academic and professional background. I am certain that my leadership and digital marketing strengths will bring an invaluable new facet to your existing team. I would like to schedule an interview to learn additional details of the position and explore the contributions I can bring to positively impact Amazon's success.

Thank you for your time and consideration.

Sincerely,

MOHAMED MUBEEN. A. S
